

New Rental Property Ordinance

In the past, the Village Board of Trustees has asked for a “neighborhood watch” on properties that may be vacant for a number of reasons (foreclosure, for sale, in between rental occupants) for the health and safety of all. The Building and Zoning Department will now be registering rental properties within the Village. Take some time if you have a rental property to drop by and pick up the paperwork and meet our new Building Inspector, Frank Desort. He is at Village Hall on Tuesday and Thursday mornings. If you are a renter, please inform your landlord of this new code.

All Village ordinances can be viewed on the Village website www.portbarrington.net Questions regarding building codes can be directed to the Village Building department at 847-639-0498 or bz@portbarrington.net

Village Buildings to Receive “Face Lift”

The Village Hall and Blue Heron Room/Public Works Garages will receive new roofs and siding in September. The Village Hall was built in 1976 with all volunteer labor. The outdoor maintenance planned is certainly overdue and will be much appreciated.

Summer Goes by in a Splash!

Thank you, REC Committee, for treating the Village kids to a day of fun-in-the-sun! Near 70 kids turned out to Hermann Park where the Committee set up a water-play paradise!
