LAKE AND MCHENRY COUNTIES, ILLINOIS  
March 18, 2021

3:25PM-4:10PM

President Yeaton, Trustees Fecske and Grothendick and Donna Erfort were present. Discussion of budgeting for the FY2022 in the Committee of Health & Safety, presently headed by Trustee Fecske. Current budget numbers were reviewed and adjusted according to spending trends. A “COVID Supplies” line item was discussed. Trustee Fecske would like to change chart #5245 adding “Contingency” to “Emergency Management” to its title and to increase that amount to \$15,000 to cover potential disaster.

All line items, numbers and budgeting rationale will be further discussed at future Regular Committee/Board Meeting/s.

Respectfully Submitted,

Donna Erfort
