### Leaf Pick-up

This year we will again have Prairieland leaf  
vacuuming as *one* way to help remove fallen leaves. The  
days are scheduled for Monday, October 25<sup>th</sup> and  
Monday, November 14<sup>th</sup>, weather permitting. They will  
make one pass only by each house and continue until all  
streets are complete. Please rake your leaves curbside  
about six inches from the street. You can also mulch or  
compost leaves or place them in your yard waste bin for  
removal on garbage day. For questions or information,  
please call Prairieland at 847-381-9300 or visit their  
website: [www.prairielanddisposal.com](http://www.prairielanddisposal.com)

### PUMPKIN, GOURDS & STALKS—OH MY! OTHER COMPOSTABLE FALL DÉCOR!

Prairieland is again placing a marked dumpster at the  
Village Hall to recycle organic fall décor! It will be in  
the Village Hall parking lot from late October through  
November. -Pumpkins, cornstalks, gourds and mums  
must be from residential sources within our Village only.  
Organics materials must be free of candles, glow sticks,  
lights and artificial fasteners. No other waste will be  
accepted at this station.

There will be a SEPARATE BIN for HOLIDAY  
LIGHTS recycling!!

**Village Garden Party 2021**

A patriotic bike parade and a memorial tree planting started a day acknowledging "Port Barrington-Land That I Love"! on 9/11. A magic show, raffles, petting zoo, face painting and visits from the Wauconda Fire District & McHenry County Sheriff followed. Good food and music rounded out a day of community brotherhood.
