Village Planning/Zoning Commission - Board of Appeals

Welcomes New Member: Pam Hallett

Pam Hallett will be sworn in as the newest member of our Planning Commission at the March 20th Village Board Meeting. Pam comes to us with a wealth of experience in planning, development, zoning and policy making. She is eager to collaborate with community members to move our Village forward in a way that suits our current and future needs. *Thank you* for your willingness to serve our Village, Pam!

Help Needed: Village Officials Vacancies

Village Trustee-

The Village Board is entertaining applicants to fill a Trustee Position through April 15th. This is an unexpired term --a vacancy for an appointed replacement requiring a one-year commitment before the choice of running for election in April of 2025. It's a perfect way to get accustomed to serving our Community in this manner before jumping in for a full four-year term!

Planning Commission-

There is one opening on our Village Planning Commission/Zoning Board of appeals! The PC/ZBA hears variance requests, holds public hearings for input from residents, and advises the Village Board accordingly. The Planning Commission meets the second Tuesday of each month at 7:00PM

If you are interested in serving your community as Village Trustee or Planning Commission member, please send a letter of intent and short resume to the Village Hall. More info regarding position details can be found on the Village Website Homepage

World Water Day is March 22nd! Celebrate it by having your well tested. Contact your County Health Department for bacteria and nitrate screening at reasonable rates!

School Scholarship Opportunity

The Village of Port Barrington announces its 9th Annual Educational Scholarship to be awarded this spring. Applicants must be a resident of the Village and be a current high school senior or college student attending an accredited two or four-year college/university or technical/vocation program for the entire 2024-2025 academic year. Applications were distributed through Wauconda High School but may also be retrieved from the Village website homepage post or by request from the Village Hall or WHS. Demonstrated ambition and self-drive must be evidenced by achievement in school, community, charity and/or employment. Completed application and all supporting documents must be submitted to the Village Hall by April 10, 2024. Best wishes to all entries!

Thanks to Wauconda Area Fire District and our Village Board, 25 community members were certified in CPR at a class held in February to honor American Heart Month! Thanks to all who attended. Feel the ❤️ !

Spring into a season of
great possibilities.....
