

Compost Giveback

Celebrate Compost Week

Saturday, May 9, 2026 8am–3pm

Port Barrington Village Hall, 69 S. Circle Ave.

Community Garage Sales
Friday and Saturday, May 8 & 9

SOIL LOVES COMPOST...

Celebrate International Compost Awareness Week (ICAW) and learn about the many benefits of this naturally produced soil amendment. We're giving away a truckload of locally-made, nutrient-rich compost to residents to help spread the love in your vegetable gardens, flowerbeds, planters and lawns. *Your soil will love you for it!*

- Village of Port Barrington & SWALCO (Solid Waste Agency of Lake County) will be hosting this event & giving away rich, locally-made compost to residents kicking off the 2nd day of garage sales, May 9th!
- Community Garage Sales take place Friday, May 8 & Saturday, May 9. Register with the Village by May 1 to be included on the map. Permit fees are waived, but a \$5.00 donation would be appreciated to help offset time and costs. Compost Give-away May 9th! Learn more about composting, climate, conservation, soil and more! Plus FREE SWAG!
 - Fun activities, games and other resources for families and kids.
- Stop by Village Hall throughout the week -May 9 - May 16th, Monday thru Friday to pick up materials on composting and gardening all week. Compost pick up all week too, while supply lasts!

Maximum of **20 gallons per Household**

Please bring your own buckets. Shovels provided. Compost is available as supply lasts.

Learn about more [ICAW events](#) happening around the region in 2026!
