

Garden Mix Compost Donated by

20 GALLONS PER HOUSEHOLD

(Four 5-gallon, standard-size buckets; or two 10-gallon buckets)

Please respect this limit so we can allow everyone the opportunity to create and enjoy healthier soil at home. Thank you.

Compost is from Midwest Organics, locally made in northern Illinois from materials including yard waste, landscape waste and food scraps from our very own households!

- *To learn more about composting, including backyard & more: **swalco.org***
- *To purchase compost from Midwest Organics or find out more about their services and products: **midwestorganicsrecycling.com***
- *If you'd like to find out how to participate in your local, municipal curbside compost program, please contact your Village or City. If your community does not offer one, please reach out with your interest.*
